

March 24, 2020

To our valued customers:

On Monday, March 23rd, Premier Doug Ford ordered for all “non-essential” workplaces in Ontario to close effective 11:59 p.m. Tuesday for 14 days as the battle against COVID-19 reaches a critical stage.

This letter is to inform you that Prototier-1 Inc. is recognized as an essential business and will remain open during this time pursuant to the exception list of COVID-19 Essential Services under section 19.

It is our intention to remain open unless we are mandated to close by Federal or Provincial Authorities.

The health and safety of our employees and their families, customers, partners and communities is of highest importance. We have taken on safety protocols as recommended by Health Canada. As the situation continues to evolve, it is our own mandate to ensure that our procedures will evolve as well.

At Prototier, we would like to help make a difference by using our capabilities to assist those in need during these trying times. Our services are currently available and ready to help.

Our capabilities are:

- Sheet Metal Stamping and Forming
- 5-Axis and 2-Axis Laser Cutting
- Manual TIG and MIG Welding
- FEA Based Flat Blank Development
- Full-Service CNC Machining
- CMM Layouts
- 3D laser Scanning

If you feel that our services could help manufacture critical equipment, please do not hesitate to contact Prototier

Thank you and stay safe!
