

March 18, 2020

Dear valued customers,

During these rapidly changing and uncertain times, our commitment to our customers remains a top priority. Currently, **Prototier-1 remains open and ready to accept inquiries about all your prototyping needs.** Currently we have made **no changes to our lead times or capabilities** as a result of the virus outbreak.

With the state of the COVID-19 situation changing daily, Prototier-1 continues to monitor virus updates closely and are taking measures to ensure the safety of our employees while still meeting our customer's needs. Effective today, only staff will be permitted to enter the building and we kindly ask that all customers phone or email orders into our office. For deliveries and order pick-ups, please call our front desk at (705) 434-0457 when you arrive; we will send shipping personnel to assist you.

Our prototyping and short-run capabilities include:

- Sheet Metal Stamping and Forming
- 5-Axis and 2-Axis Laser Cutting
- Manual MIG/TIG Welding
- FEA Based Flat Blank Development
- Full-Service CNC Machining
- CMM Layouts
- 3D Laser Scanning

Please stay safe, we look forward to hearing from you in the future!

Best regards,

Wieslaw Kozirowski

President
